

Teja Garidepally,(Class Id:12)

ASE, Spring 2016

Tutorial 3 Document

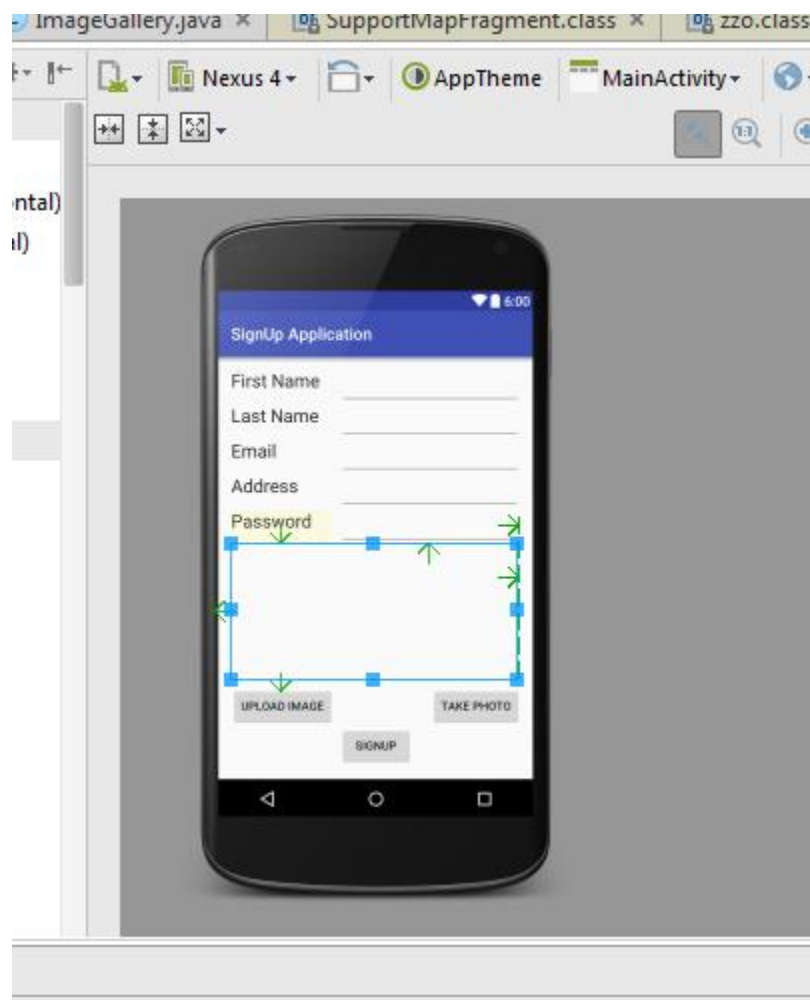

Description:

This application consists of a signup page which takes details like First name, Last name, Email, Address, password and a picture which can be taken through camera or gallery and the picture will be displayed on main page.

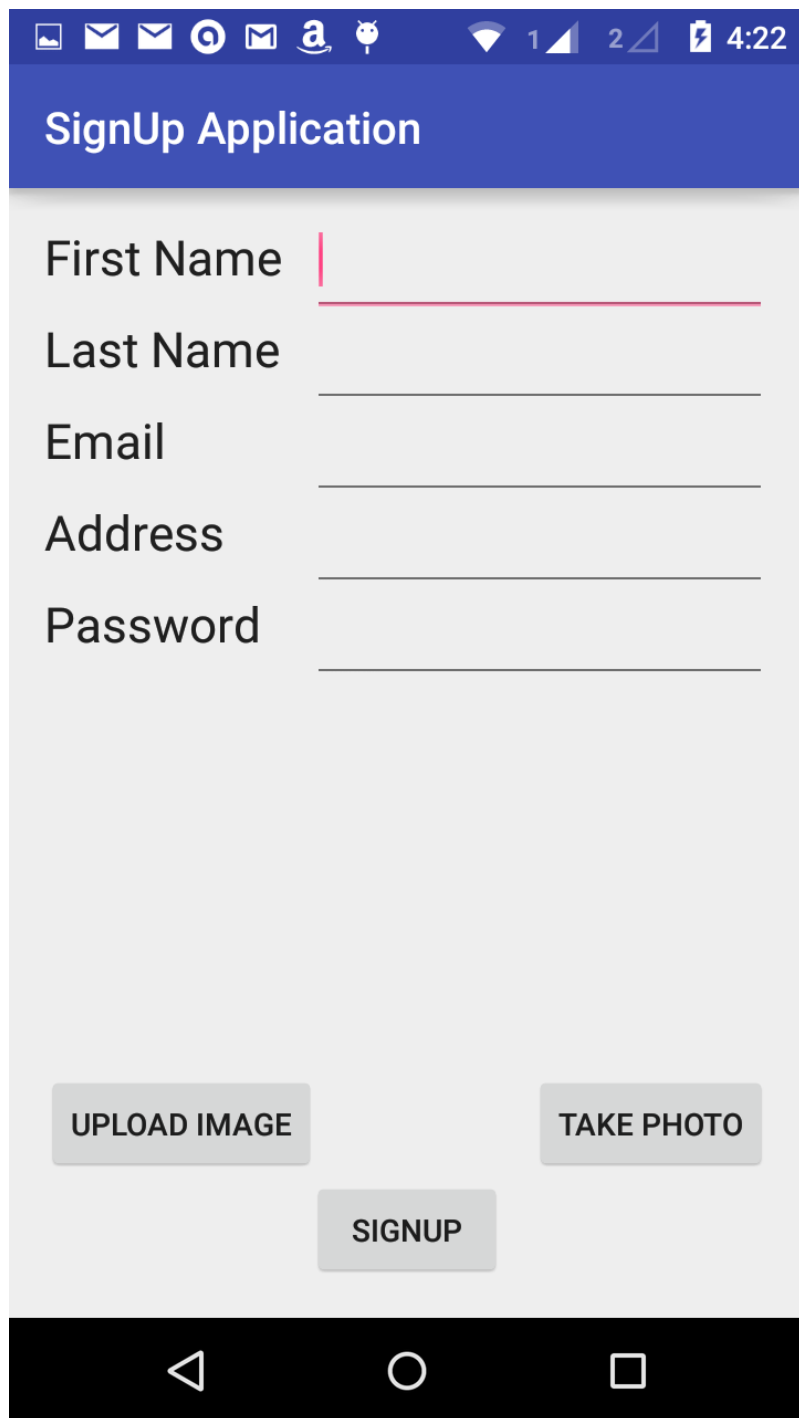

After entering details and uploading picture, clicking signup page redirects to google maps pointing the current location. Along with the picture captured or loaded as marker to the location.

Steps:

Created activity_main view below:

Below is the main_activity signup page

The screenshot shows a mobile application interface for a signup page. At the top, there is a blue header bar with the text "SignUp Application". Below the header, the page has a light gray background. There are five input fields with labels to their left: "First Name", "Last Name", "Email", "Address", and "Password". The "First Name" field has a red vertical line on its left side. Below these fields, there are three buttons: "UPLOAD IMAGE" and "TAKE PHOTO" are positioned side-by-side, and "SIGNUP" is centered below them. At the very bottom, there is a black navigation bar with three white icons: a back arrow, a circle, and a square.

The selected image from gallery will be displayed like below.

The screenshot displays a mobile application interface for user registration. At the top, a status bar shows connectivity icons and the time 1:39. The form consists of several text input fields with labels: 'First Name' (filled with 'Teja'), 'Last Name' (filled with 'Garidepally'), 'Email' (filled with 'a.garidepalli@gmail.com'), 'Address' (filled with '618, Chestnut, Kansas ci'), and 'Password' (filled with seven dots). Below these fields is a photo of a man in a grey jacket. Under the photo are two buttons: 'UPLOAD IMAGE' and 'TAKE PHOTO'. At the bottom center is a 'SIGNUP' button. The entire form is set against a light grey background, and the bottom of the screen shows the standard Android navigation bar.

First Name	Teja
Last Name	Garidepally
Email	a.garidepalli@gmail.com
Address	618, Chestnut, Kansas ci
Password

UPLOAD IMAGE TAKE PHOTO

SIGNUP

In the same way clicking Take photo button accesses camera and captured image also will be displayed in same image view of main page.

The screenshot shows a mobile application interface titled "PhotoActivity". The interface is designed for user registration. It features a blue header bar with the title "PhotoActivity". Below the header, there is a registration form with the following fields:

- First Name**: teja
- Last Name**: garidepalli
- Email**: a.garidepallu@gmail.com
- Address**: nut , kansas city, missour
- Password**:

Below the form, there is a photo of a man with a beard and glasses, wearing a blue shirt. The photo is displayed in a square frame. Below the photo, there are three buttons:

- UPLOAD IMAGE**: A button with a light gray background and black text.
- TAKE PHOTO**: A button with a light gray background and black text.
- SIGNUP**: A button with a light gray background and black text, centered below the other two buttons.

The bottom of the screen shows the standard Android navigation bar with three icons: a back arrow, a circle, and a square.

After this clicking the signup button, it will redirect to google maps Home page, pointing the current location with the custom marker, the uploaded image like below.
